## Basic CRUD on Laravel

**Source Code:** [MachiBytes/basic\\_crud\\_laravel](https://github.com/MachiBytes/basic_crud_laravel)

### All posts

## Create a post

A screenshot of a web browser window displaying a 'Create Post' form. The browser's address bar shows '127.0.0.1:8000/posts/create'. The form has a title 'Create Post' and two input fields: 'Title' and 'Content'. Below the 'Content' field are two buttons: 'Submit' (green) and 'Back' (grey). The browser's sidebar on the left contains various icons, and the right sidebar contains a search icon and a settings icon.

Update Cancel

A screenshot of a web browser displaying the 'All Posts' page. The browser's address bar shows the URL '127.0.0.1:8000/posts'. The page has a title 'All Posts' and a 'Create New Post' button (blue) in the top right corner. A green notification bar at the top says 'Post updated successfully.'. Below this is a post card for 'My First Post (edited)' with the text 'This is my first post. Please support. I have edited it just now!'. At the bottom of the post card are two buttons: 'Edit' (yellow) and 'Delete' (red). The browser's sidebar on the left contains various icons, and the right sidebar contains a search icon and a settings icon.
