Final Activity #2

Laravel Authentication

Source Code: [MachiBytes/laravel_basic_auth](https://github.com/MachiBytes/laravel_basic_auth)

Run the website

Access Registration Page

The screenshot shows a web browser window with the address bar displaying `127.0.0.1:8000/register`. The page title is "Laravel". In the top right corner, there are links for "Login" and "Register". The main content area features a registration form with a light purple header labeled "Register". The form contains four input fields: "Name", "Email Address", "Password", and "Confirm Password". The "Name" field is currently selected with a blue border. Below the input fields is a blue "Register" button.

Laravel

Login Register

Confirm Password

Register

Access Login Page

The screenshot shows a web browser window with the address bar displaying `127.0.0.1:8000/login`. The page title is "Laravel". In the top right corner, there are links for "Login" and "Register". The main content area features a light blue background with a white login form centered. The form has a title "Login" and contains the following elements:

- An "Email Address" input field.
- A "Password" input field.
- A checkbox labeled "Remember Me".
- A blue "Login" button.
- A link labeled "Forgot Your Password?" next to the "Login" button.

Accessing Protected Route

The screenshot shows a web browser window with the address bar displaying `127.0.0.1:8000/home`. The page title is "Laravel". In the top right corner, there is a user profile icon labeled "Mark". The main content area features a light blue background with a white dashboard box centered. The box has a title "Dashboard" and contains the message "You are logged in!".
